

## Carson House Wine Selections

Nothing compliments a great meal better than the right company and the right wine. With that in mind we have developed a wine list to touch every palate and a pricing structure uncharacteristically low for a fine dining restaurant. This allows us to offer value as well as variety.

As my friend Jeff Sneed from Los Pinos Winery says,

*Live well, love much, laugh often, and drink wine in moderation...frequently!*

House Wines available by the glass.....\$4.75
